DECLARATION

To Whom It May Concern:

I, Sara Waheed Saga, wish to add the following clarification to the Declaration that I signed on June 19, 2003:

"When I signed the declaration on June 19, 2003, it was not my intention to relinquish any rights to which I was entitled. I simply intended to reflect my understanding of what I had been told by the Government of Saudi Arabia. I did not intend permanently to waive my right at some later time to demand custody of my children. Nor did I intend to agree not to seek the assistance of the Government of Saudi Arabia in ensuring that I have access to my children."

Sincerely,

Sara Waheed Saga
